Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

(b) I acknowledge that SVE requires me to wear AHSA approved headgear with a chin strap while jumping and requires me to wear a safety helmet while riding. I understand and acknowledge that the risk of head injuries and death are significantly reduced by wearing appropriate headgear. (d) **Medical Authority.** I, _____ (participant, or if minor, parents/guardians) hereby grant permission and authority to SVE, its officers and authorized employees to act for me in executing verbal instructions or if unable to contact us, to act for us in dealing with physicians, available ambulance companies and hospitals, to obtain prompt medical attention for the person named above in the event of any perceived medical emergency. I hereby covenant and agree to release SVE its owners, occupants, tenants, subtenants, employees, officers, directors, or agents and their respective affiliates or persons of any one or more of them, and hold harmless from liability connected with obtaining prompt medical attention for the person named above.

(e) In accordance with such release, waiver, and discharge, and in consideration of being allowed to utilize and/or visit the SVE facilities, I promise not to sue or demand any money or anything else of value from SVE, including any of its owners, occupants, tenants, subtenants, employees, officers, directors, or agents and their respective affiliates or persons of any one or more of them.

Indemnification. I agree to completely indemnify and hold harmless SVE, including any of its owners, occupants, tenants, subtenants, employees, officers, directors, or agents and their respective affiliates or persons of any one or more of them, from and against any

and all claims, demands, causes of action, suits, actions, losses, liabilities, costs and/or expenses, including attorney's fees, which are occasioned by, or otherwise attributable to, matters for which I have assumed the risk and for which I am responsible in accordance with Section 1 hereof, and for any actions brought by my guests or invitees.

3. **Binding Nature of Agreement.** I agree that this Agreement shall be binding on my personal representatives, heirs and assigns.

4. **Governing Law.** This Agreement shall be governed by, and construed in accordance with, the internal substantive laws of the State of California, without regard to the choice of law rules thereof. I hereby submit to the in personam jurisdiction of the State of California. Venue for purposes of any litigation or arbitration concerning this Agreement shall be in Sacramento County, California.
