√ *Every class offered herein which is covered by the rules and specifications of the current USEF Rule Book will be conducted and judged in accordance therewith. Quadrille will follow the rules of USDF.*

√ Management reserves the right to arrange for additional judges and to cancel, combine or amend any class, including but not limited to class awards, scheduling and location.

√ Management reserves the right to refuse, accept conditionally or to cancel any entries, disqualify riders or exhibitors, prohibit exhibition of entries, without claim to damages.

√ Show Management reserves the right to interpret all questions and conditions in regard to, or arising out of, or incident to the show, without claims for damages or recourse of any kind. All questions not covered by these rules and regulations shall be decided by the Show Management and such determinations shall be final.

√ Owner/Agent/Participant agrees that every horse entered, or which they bring to the show grounds, will be subject to the rules of the Horse Show management. However, Show Management will, in no case, be responsible for any loss or damage that may occur to any horse entered or on the grounds, and it shall be a condition of entry that each exhibitor agrees to defend, indemnify and hold harmless the United States Equestrian Federation, the United States Dressage Federation, the California Dressage Society, Starr Vaughn Equestrian, Inc., LADS Consulting Service, any additional recognizing organizations, the facility at which the event is held (showgrounds), the horse show and its management, employees, volunteers and independent contractors for any loss or accident to his horse, horses or equipment which may occur.

√ All Owners and Exhibitors will be held responsible for any damage incurred by them, their agents, employees or animals to stall buildings and other properties on the show grounds and shall be billed accordingly. All bills for veterinary, farrier services and feed are due and payable during the show. The management reserves the right to deduct any unpaid veterinary, farrier and feed bills from premium, stake or prize money, or refunds due the exhibitor. √ The Bio-Security Protocol does not negate the refund policy as outlined in this prize list.

ENTRIES - SCHEDULING - RIDING TIMES

√ Entries will be accepted on a first-come basis and must include all fees, membership and horse registration proofs, signatures and payment. *Numbers will not be released until this process is complete; entries without payment in full may be returned.* Entries that are received, complete with payment, signatures and proofs will have priority over emailed entries. If the show has extended the courtesy of accepting a late, emailed entry, the responsible party will be liable to pay all class, office, stable and other fees. Those who do not comply with this will be turned in to the recognizing authorities and no future entries will be accepted until the matter has been resolved.

√ Management will close the show when it is full and place excess entries on a wait list. Entries that have arrived after the show is declared full and prior to the printed entry closing date will not be subject to late fees. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

ALL COMPETITORS

√ ***From the time horses are officially admitted to the competition grounds by competition management, anyone mounted on a horse at*** any time on the competition grounds, ***including non-competing riders, riders on non-competing horses, and those*** competing in ***all classes and tests, including Para-Equestrian tests***, **must wear protective headgear as defined by this rule and otherwise in compliance with GR801**. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is properly in place. Protective headgear is defined as a riding helmet which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. The harness must be secured and properly fitted. Unless jackets are waived, while in the competition ring, exhibitors wearing protective headgear must wear a short, dark jacket, dark tailcoat (only permitted for tests above Fourth Level), or Armed Services or police uniform (if eligible), dark hat covers (where applicable) and must otherwise conform to DR120 (see GR801).

√ It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition, and the Federation, Show Committee, and Licensed Officials are not responsible for checking headgear worn for such compliance.

STARR VAUGHN EQUESTRIAN

√ The Federation and Starr Vaughn Equestrian, Inc. make no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.

√ Competition management shall place a minimum of one sharps container per each competition, whether or not stabling is provided. Additionally, at least one sharps container per fifty occupied stalls for the disposal of needles and other disposable sharp instruments in convenient locations in barns housing competition horses. It is competition management's responsibility to replace such containers when full and dispose of them properly. Competition management may fine any individuals including trainers, owners, exhibitors, or their agents up to $100 for improper disposal of needles or other sharp disposable instruments. Competition management will place a notice of this requirement either in its prize list or on a specific handout given to trainers on check in at the competition. If local law has different requirements, local law will prevail. Competitions failing to comply with placing the required number of containers on the show grounds will be considered in violation of the rules and may be subject to penalty as determined by the CEO or Executive Director and/or the Hearing Committee.

CALIFORNIA DRESSAGE SOCIETY - STATEMENT ON ANIMAL WELFARE

The California Dressage Society, an organization of approximately 5,000 individual members, supports the concept of humane and ethical treatment of all animals.

Dressage is a classical method of the training of horses in which the horse's natural responses and athletic abilities become a capable responsive partnership with the rider.

To this end the California Dressage Society is committed to ensuring that owners, trainers, exhibitors and their agents use responsible care in the training, handling, transportation and exhibition of horses.

The California Dressage Society supports scientific research on equine health and stress.

The California Dressage Society is committed to the continuous review, revision and development of competition rules and regulations to protect the welfare of horses.

The California Dressage Society firmly believes that horses are a vital part of its members' life experience and as such deserve our protection and compassion. Humans have an inseparable relationship with the natural world and animals. Furthermore, humanity is account able to a set of laws and concepts that is uniquely a product of human society. Animals cannot be subject to those laws and concepts and therefore do not have the rights of humans.

Humans are responsible for providing adequate food, water and shelter for horses. CDS supports management and training practices which promote health, prevent disease and protect horses from unnecessary pain and injury.

CDS believes that Dressage Competition is the ultimate test of training to determine the development of harmony between horse and rider. All sanctioned CDS competitions and events will be conducted under the organization's rules regarding the well-being and welfare

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at www.usdf.org.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.) Individuals cannot compete at a USEF-licensed/USDF-recognized competition with a USDF Education Membership.

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the $5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year ($90), 5-years ($360), or life ($1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year ($72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards, USDF Breeders Championship Series Finals, the Great American Insurance Group/USDF Regional Dressage Championship program and the USDF Adult Amateur Equitation Regional program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM ($240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Education Membership (EM): A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of $35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the $5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses ($35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or USDF Breeders Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of $80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR ($115) is eligible for Adequan®/USDF Year-End Awards, to compete at USDF Breeders Championship Series Finals, the Great American Insurance Group/USDF Regional qualifying and championship classes, and the USDF Adult Amateur Equitation Regional program, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
